

Sakshi Hiremath

Pune, India | +91 9112174173 | sakshihiremath97@gmail.com

Education

Pune Institute of Computer Technology (PICT) Pune, India Bachelor of Technology in Computer Engineering - 9.0 CGPA	2022 – 2026
S.E.S Junior College Solapur, India XII Grade HSC - 69.67%	2020 – 2022
Indian Model School Solapur, India X Grade SSC - 97.00%	2019 – 2020

Projects

Xenobot - GenAI

- An **intelligent question-answering (Q&A)** chatbot that allows users to query PDF documents and receive **accurate, context-aware** answers.
- Built using Langchain to implement a Retrieval-Augmented Generation (**RAG**) pipeline, leveraging Hugging Face Embeddings for **precise** document representation to ensure **relevant content retrieval**.
- Incorporated Chroma to **streamline the retrieval process**, efficiently passing data to the model for generating **accurate and reliable responses**.

Vehicle Counting and Traffic Prediction System - Computer Vision

- Designed and implemented an intelligent traffic analysis system capable of vehicle counting and traffic prediction with **accuracy of about 91%**.
- Utilized YOLOv8 for **accurate object detection**, combined with SORT(Simple Online and Realtime Tracking) for **efficient multi-object tracking** across video frames,integrated OpenCV for **robust video preprocessing and frame manipulation**.
- Applied Support Vector Regression(SVR) to forecast traffic at **specific timestamps** based on vehicle count data.

Book Recommendation System - ML

- Developed a comprehensive recommendation system leveraging **content-based filtering, popularity metrics and collaborative filtering** to provide personalized book suggestions.
- Integrated a **user-friendly** interface using Flask for **seamless interaction**, and precomputed similarity scores for **faster recommendations**.

Skills

Programming Languages: C++, Python,HTML,CSS

RDBMS: MySQL

Core CS: DSA, DBMS, OS, OOP, CNS

AI: Machine Learning, Deep Learning, Langchain, Large Language Models

Computer Vision: OpenCV, YOLO

DevTools: VS Code, Git, GitHub.

Extra-Curricular

Student Member, PICT CSI Club

Worked on a project as part of the club, contributing to development and success.
Contributed to FE Carnival '24 PCSB's annual event.

Volunteer, INC Event

Volunteered to assist judges, ensuring smooth coordination with their assigned projects.

Training/Courses

Machine Learning A-Z: AI,Python & R + ChatGPT Prize [2024] Udemy
